### ALL NATIONS CUP 2008 INTERNATIONAL FOOD TENT

All Nations Cup, a soccer tournament comprised of teams from throughout the Puget Sound's immigrant communities, celebrates its return for the sixth year in a row this June 2008 with a larger tournament and expanded arts and cultural celebration.

Founded in 2003 by Sister Communities, a South-end nonprofit organization, the 2008 All Nations Cup is expanding to a three-week celebration of cultural diversity in the Pacific Northwest. This year the event is getting started early with the kick off the event on **Friday, June 6<sup>th</sup>, 2008** at Starfire Sports Complex in Tukwila.

This year, the International Food Tent will be returning with the theme "Stews from a Little Planet," featuring eight main courses from eight different regions of the world. Also featured are fresh salads, side dishes, breads, fresh juices, and desserts from all over the world. It will certainly be a culinary event that no one will want to miss!

For the first time, attendees will have the chance to bring their favorite festival dishes home to their kitchens with the All Nations Cup Cookbook. It is sure to become a staple in any food lover's kitchen.

Mark your calendar for the weekends of **Friday, June 6<sup>th</sup> to Sunday, June 22<sup>nd</sup>**, come out to experience the sights and smells of the All Nations Cup International Food Tent and return home more than satisfied. All Nations Cup looks forward to seeing you there!
